Worms! Worms!! - A great many learned treatist have been written, explaining the origin of, and classifying the worms generated in the human system. Scarcely any topic of medical science has clinited more acute observation and profound research; and yet physicians are very much divided in opinion on the subject. It must be admitted however, that, after all, a mode of expelling these worms, and purifying the body from their presence, is of more value, than the wisest disquisitions as to the origin. The expelleragent has at length been found - Dr. M'Lane's Vermifuge the much sought after specific, and has already superceded all other worm medicines, its efficacy being universally ac-

knowledged by medical practitioners. Purchasers will please be careful to ask for DR. M'LANE'S CELEBRATED VERMIFUGE, and take none else.
